Confirmation Requirements

It is our hope that students are continually involved and engaged in religious education, youth ministry and the life of the parish. However, pursuant to the Diocesan Policy for Confirmation, students must have attended, at a minimum, two years immediately prior to Confirmation, a formal parish Religious Education, or Catholic School program. If the student attends a Catholic school with theology and/or religious education class they are encouraged to but not required to attend the Wednesday night religious education classes. All students receiving Confirmation in the spring regardless of school are required to attend and complete the Confirmation Formation program listed below.

Confirmation Formation Program:

1. A Confirmation retreat
2. Seven additional classes for Confirmation
3. A renewal day for student and sponsor
4. Complete and document a service project
